FOREWORD

In publishing this 1945 Tepee, Seminole High's third annual, the staff has tried to present a democratic sampling of activities and a list of pictures that will evoke pleasant memories in the years to come. If we have erred, the sincerity of our editors make amends.

We wish to express appreciation to the entire faculty and student body for their help, and especially do we wish to thank Mr. Dewey Davis for his ready aid and sympathy without which this book would have been impossible.

DEDICATION

To those Seminole Indians whose shouts no longer echo through our halls, but who have heeded the battle cry of our country and who are giving their services heroically and unselfishly—we dedicate this 1945 Tepee.

"They never fail who die in a great cause
But still their spirits walk abroad.
Though years elapse, and others share
As dark a gloom,
They but augment the deep and sweeping
Thoughts which overpower all others,
And conduct the world at last to freedom."

—Byron

Especially do we wish to honor those who have made the supreme sacrifice that Seminole High might go on to greater heights and new glory. Lest we forget—

—PRESENTING— TOMMY HAWK

The newest, the greenest, freshest freshman ever to discover America at Seminole High School. is none other than that mischievous Indian — Tommy Hawk. He has been chosen as mascot for the '45 Tepee, but we sincerely hope he does not represent the average student.

Credit for the creation must be divided between Jean Alger, Art editor, and Jerry Davis, her assistant.

ADMINISTRATION

A MESSAGE from our Superintendent

Dear Students:

I wish to congratulate the student body of Seminole High School for making it possible to publish a yearbook this year. The scarcity of material and labor has made a difficult task more difficult, but the leadership displayed and the hard work that has been done will no doubt be an inspiration to students who follow you for years to come.

Yours truly,

Dewey Davis

A Message from our Principal

Students of Seminole High School:

May the members of Seminole High School of 1945 review with great pleasure the activities herein recorded. In the years to come, when you are old and grey, may these pages remind you of the care-free, happy days that you thought were so hard at the time.

Yours is to be a life of great responsibility. The winning of the war and the securing of the peace will be your task, but I know that you will meet these great responsibilities with the same degree of success with which you have met and mastered the problems that you have encountered in high school.

Sincerely yours,

COACH HUDSON

This marks Coach Aldene Hudson's third year on the coaching staff of Seminole High School. In 1943, under the capable coaching of Marlin Hayhurst and Hudson the Indians won Regional Championship. His value to Seminole High is shown in the great respect the boys feel for their coach.

After a season spent in the cellar, the Seminole Indians came out of the last two games to defeat Post 6-0, and Seagraves 6-0. Lunceford made the touchdown against Post, Bobby Walker scored against Seagraves. The squad is looking forward to a more successful season next year.

He has not only won the respect of the players and student body but the people of Seminole also. He has been faithful, loyal, and has given praise and credit when it was due. We feel indeed lucky to have such a man as coach.

ORGANIZATIONS

Seminole High School Concert Band

The Concert Band has been very active for the past two years, especially considering that they were two years of war. During the school year of '43-'44 the band played a series of six concerts dedicated to the purpose of selling war bonds and stamps. At these concerts the band sold $46,456.00 in stamps and bonds to the citizens of Seminole.

This school year, the band is engaged in a series of concerts dedicated to raising funds for the Gonzales Warm Spring Foundation, Gonzales, Texas—a hospital for the treatment of infantile paralysis. We as a band are proud to have sponsored these two projects.

Music for these concerts has included many classical standards and program music, but at all times music by American composers has been played more than other types. Student soloists with the band this year were Almeta Lindley, Beverly Besancon, Dan Moody Whitaker, and Johnnie Gilmer.

Dale McCook is completing his third year as director of the band. Both the band and Mr. McCook express appreciation to the school and the school patrons for their cooperation these past three years.

With capable student leadership, the Band has operated for the past two years on a Democratic basis of student self-government. A constitution and by-laws were drawn up outlining purposes of Band and suggesting procedure to accomplish those purposes. Self-imposed fines for infractions of these rules not only help to teach self-discipline, but provide funds for picnics and probable Spring banquet.

Regular meetings each month offer a chance to practice this self-government and also provide a time and place for soloists and ensembles to play new numbers for the first time.

The Band membership express appreciation to their officers and librarians, Almeta Lindley and Charlie Jameson and their property man, Kenneth Munnerlyn for their leadership and throughout the year.

Girls Chorus

Girls Chorus was organized in September, 1943, with fifty girls enrolled. Twenty-four of this group were selected for State Regional Competitions which were held in May, 1944. The Chorus received an A rating and were judged the best chorus of the day.

In September, 1944, fifty-five girls enrolled for chorus. At the end of the semester Mrs. Smythe selected thirty-six girls for contest work. This group of girls will represent Seminole High School in the Regional Contest.

In December, 1944, the chorus presented a contata, "Carols of Christmas." They also furnished programs for the Lions Club, Rotarians, Womens Church Federation, and assembly programs for the high school. The chorus was combined with the band in several benefit concerts.

Seminole High School is indeed fortunate to have Mrs. Glenn Smythe as choral director and the girls chorus has proved a valuable addition to our school.

"S&E" Club

The Solo and Ensemble Club (S&E) is an organization within the band to encourage and promote the playing of solos, trios, quartets, and sextets with various combination. To become a member, each student must have at least five public appearances either in solo or an ensemble. In this type of playing, the student realizes to a greater degree the value of teamwork—too, he is encouraged to learn other instruments than his major instrument.

The Seminole Student Council was reorganized this year after an absence of four years. The Student Council was organized to give the student body the opportunity to express its will through representative practice and democratic procedure. Each home room has one representative and an alternate, elected each semester. The officers of the council are chosen by ballot of the entire student body. The council this year has attemptea to control the hall traffic and the cafeteria line. It has cooperated with the administration in an attempt to keep students from losing textbooks. The assembly programs have been found more successful after student council planning. Tentative plans for next year include fun nights and pamphlets for new students and freshmen.

The Sigma Delta Chi Chapter of the National Sub-Deb Club was organized in 1943. This club is a high school sorority organized for the purpose of promoting friendship, providing worthwhile entertainment and developing interest in civic work.

First semester activities included a hayride and a scavenger hunt for fall pledges, a Christmas party, sunrise breakfast, and a silver tea. The club sponsored a blood plasma bank for Gaines County, collected funds for the Warm Springs Foundation, and sold subscriptions for the Seminole Sentinel in order to secure funds to build a club house.

The club colors are blue and white; the club emblem is a blue ana white triangle containing the Greek letters. New pledges are added twice each year by unanimous approval of the members and are then presented to the public in a formal presentation.

COMPLIMENTS

Soar to triumph, Wing to glory
Oh! Warriors bold,
The angels ware thy colors
Oh! Seminole

Fierce in battle, Victors ever,
Hail! Black and gold.
We proclaim our love and praise to thee,
Oh! Seminole.

Goodbye to all of you, hope you like The annual!
